

# Invitation

---

## Atlantic Blue Port Services

Discharge polluted water in port, not at sea

You are **cordially invited** to join the Atlantic Blue Port Services consortium on the **European Maritime Days 2019**. Among others, you will have the chance to witness a **live demonstration** of the world's only IMO-certified, mobile, port-based, ballast water treatment system—the **InvaSave 300**. On May 16, the day will be concluded with **some drinks** after the demonstration.

*Date (and time of demonstrations):*

**16 May, 2019 – 16:15-17:15**

**17 May, 2019 – 16:00-17:00**

*Location (conference, short bus ride required for demonstration location):*

**Lisbon Congress Centre: Praça das Indústrias, 1300-307 Lisbon, Portugal.**

---

The European Maritime Days are always a great opportunity for maritime professionals, entrepreneurs and ocean leaders. For more information, see:

<https://ec.europa.eu/maritimeaffairs/maritimeday/en>

*Please register for the demonstration by emailing either:*

Rodrigo Fernandes ([Rodrigo.Fernandes@bentley.com](mailto:Rodrigo.Fernandes@bentley.com))

Vera Godinho ([VGodinho@portodelisboa.pt](mailto:VGodinho@portodelisboa.pt))

*For more details and the full programme, please see:*
